A modern, white, freestanding acrylic bathtub is the central focus of the image. It has a sleek, angular design with a wide rim and a tapered body. The bathtub is set in a minimalist bathroom environment. In the background, a chrome shower fixture with a handheld showerhead is visible against a dark, textured wall. The overall aesthetic is clean and contemporary. The word "Acrylic" is overlaid in a white, elegant serif font across the center of the image.

Acrylic

# Acrylic Bathtub

Acrylic material is polymethyl methacrylate, and the back adopts resin as the bonding material, glass

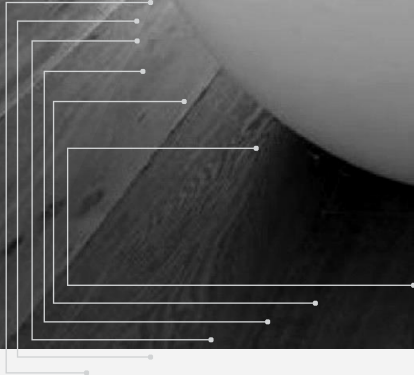

gy, with light weight, outstanding rigidity, clear sound when knocking the back; the surface of acrylic material is poly methyl propionate, and the back adopts resin, stone powder and glass powder.
